ENCOURAGE...

ACTS 9:26-28

Encouragement strengthens relationships. Saul was not the kind of person a Christian would want to be around. Christians were known to end up in trouble or dead when Saul came around. The apostles kept their distance but God used Barnabas to bring Saul to a place of prominence.

Acts 11:21-26

The church of Jesus Christ should be the most Encouraging place on earth. Homes committed to Christ should be greenhouses of growth for young children coming up in them. Good words encourage growth.

A Mother's Tribute

This will be the 3rd Mother's Day since my mother has taken that great passage from earth to heaven. There are many days I think of her and my father and the many moments we shared together! I would not be honest if I didn't say I miss their voices of encouragement (and constructive criticism) among many other things. However, it is with great JOY that I celebrate Mother's Day (as well as Father's Day) because I know they are with their Lord and Savior, Jesus Christ. I can get excited about that all though there may be challenges for me on this side of heaven. How can I be upset that God saw it fit in the sovereignty of His will to graduate them to Heaven. They are much better now! They bloomed well in their season. And because of that, I am better, our family, community, city, state and world is better. If it would not have been for them coming together I would not be here. I believe no matter your parental circumstances you can find JOY this coming Mother's Day when we celebrate God's gift of MOTHERS to this world. "You are here."
